Auto TopUp Explanation: An added feature to our Per GB ADSL is the optional iSAT Per GB TopUp! This allows you continued connectivity even after you have reached your Cap. iSAT's Per GB TopUp works in increments of 1 GB. For example: if you have a 3 GB product, you can set your AutoTopUp to 5 GB. Once you've reached your 3 GB Cap, it will automatically top you up per GB, to a limit of 5 GB.
